

Alta Vista Solutions

Alta Vista Solutions (Alta Vista) is a multidisciplinary engineering firm that provides engineering, inspection, quality management, asset management, and related services to the infrastructure industry. Our dedicated staff of more than 120 qualified professionals have built a record of high-quality and innovative solutions for state, federal, local agency, commercial, and water and energy sector projects. We have provided these services for more than 1,000 projects in California, as well as numerous complex projects in New York and across the U.S.
